

Crossing Guard

Summary

The School Crossing Guard directs and provides the safe movement of elementary school children walking or bicycling to and from school when crossing public roadways and intersections. The scheduled work time varies and it is determined by the location of the assignment. The position is part-time and generally works approximately 10 hours per week, 1 hour in the morning and 1 hour in the afternoon. School Crossing Guards are required to wear a traffic safety vest and to work outdoors regardless of weather conditions.

Essential Duties

- Reports promptly at the designated time to location of assignment.
- Directs and provides the safe and orderly movement of elementary school children and pedestrians crossing public roadways and intersections; is observant at all times to ensure the safety of the children and themselves.
- Positions themselves in a highly visible and safe location, standing on the side of the street where the children approach designated crossing locations
- Monitors traffic flow to recognize traffic openings which permit them to safely step into and out of traffic.
- Notifies Upland Borough Police of hazardous roadway conditions and physical hazards.
- Clears crosswalks of rocks, glass, cans and other items in order to prevent injuries to children.
- Maintains assigned equipment (e.g. stop sign, traffic vest, etc.).
- Performs related duties as assigned.

Education and Experience

- High School Diploma or equivalent
- Must be eighteen (18) years or older
- Must be able to work approximately two (2) hours a day; 1 hour in the morning and 1 hour in the afternoon
- Schedules will occasionally vary to accommodate early dismissals, severe weather conditions and similar events.
