Officer K9 Raymond

Recently, our police department, through donation and grant funding acquired a 22 month old police K9 for use with patrol and narcotics detections.

K9 Raymond is a 1 year and 10 month old Belgian Malinois, is certified in Patrol and Narcotics work and is assigned to Officer Ryan

Canzanese. He became a member of the Upland Borough Police Department in May 2022, after his formal police training in March 21, 2022 and completing 6 weeks of K9 school at Shallow Creek Kennels, graduating with a NAPWDA certification. K9 Raymond likes going for walks, playing with his ball, chewing on his tug and training days. He has a strong dislike for slow

boring days.

Raymond, also referred to as Ray Ray, will be the partner of Upland K9 Officer Ryan Canzanese.

Officer Canzanese, who has been with the department since February 2020, is an avid animal lover having three dogs of his own and taking the handling of Raymond very seriously.
