

Do It Yourself Rain Gardens

Workshops for Homeowners

Sunday, May 3, 2015

1:00 pm to 3:00 pm

Nether Providence
Township Building

Sunday, May 17, 2015

2:00 pm to 4:00 pm

Media Borough Hall/
Community Center

Learn how to create your own rain garden, including:

- Picking the right size and location for your garden
- Testing and preparing the soil
- Choosing the right plants
- Creating a plan for planting day
- Resources available to help you along the way

Both workshops will include a classroom session and a tour of the existing rain gardens at these sites. The sessions will be similar in content.

Visit www.crcwatersheds.org for more information and to register for this free event.
